

Way of Life!

BALENO

**ACCESSORIES
CATALOGUE**

**Make it
yours.**

OK, so you've seen it, fallen in love with it, and the object of your desire is all yours to be had. But that's not the full story. Turn your new Suzuki Baleno into something special, something unique - your very own Baleno. Show who you are, why you drive this car and why you drive it in your own special style.

Some images in this brochure may feature special equipment or accessories.
For precise information about the equipment provided on the vehicle, please contact your Suzuki partner.

Packages

Interior

31 | Child Seat "BABY SAFE PLUS"

Child seat of group 0+ for babies with up to 13 kg of weight or 12–15 months of age. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04. Installation with 5 point seat belt, height adjustable headrest and belts, deep softly padded side wings provide optimum side impact protection, compatible with Baby SAFE ISOFIX Base and Baby Safe Belted Base and for travelling compatible with BRITAX pushchairs, 3-position carry handle with single handed adjustment, quick remove cover for washing, chest pads for child's comfort. This baby seat must not be used on the front passenger seat if the seat is fitted with a front airbag or the passenger front airbag needs to be deactivated according to the user manual

Part No. 990E0-59J37-001

32 | Child Seat "DUO PLUS"

Child seat of group 1 for kids of 9 to 18 kg of weight or approx. 9 months to 4 years of age. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04. Installation in the car by the ISOFIX brackets, the seat features optimum side impact protection, unique Forward Tilt Control, singlehanded adjustment to change from the upright position to the reclined and sleeping positions. 5 point harness system with one-pull adjustment, shoulder pads reduce the load in the neck/head area. The comfortable fabric cover is removable for washing. The seat can also be fitted in cars without the ISOFIX system by using the vehicle's 3-point seat belt

Part No. 990E0-59J56-000

33 | Child Seat "KIDFIX"

keeps your little one safe: the Kidfix for groups 2 and 3, kids weighing from approximately 15 to 36 kg. It meets the current Child Seat Safety Standard ECE R44/04 regulations and offers optimal side impact protection. Its perfectly routed 3-point seat belt installation plus additional fastening to the ISOFIX anchorage fastening points ensure maximum stability and safety. The headrest height can be adjusted to 11 different positions and the backrest to the angle of the vehicle seat. The reclined position can be set using the lever in the access slot of the detachable and washable booster cushion cover

Part No. 990E0-59J25-001

34 | Child Seat "KIDFIX II XP"

The KIDFIX II XP is a new child seat of group 2 and 3 and offers safety reassurance for parents and comfort for the older child from approximately 15 to 36 kg. This high back booster seat's innovative XP-PAD gives advanced frontal protection. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04. Installation in the car by the ISOFIX brackets, the seat features optimum side impact protection. It's SecureGuard (patent pending) ensures optimal lap belt positioning. And its deep softly padded side wings offer cocooning safety for growing heads and neck from 4 to 12 years

Part No. 990E0-59J25-002

Protection

A car like the Baleno brings out your caring side. It's not primarily about value retention - it's about an instinctive need to look after and protect your car. Outside and inside, with various small but effective details.

Audio & Navigation

Suzuki in car systems are some of the most sophisticated on the road. Built in satellite navigation ensures that you reach your destination effortlessly. In car audio keeps you entertained and, thanks to mobile connectivity, you can plot your route and select a playlist for the stereo using voice commands to your phone. For detailed information please check our Audio and Navigation leaflet.

Suzuki Genuine Accessories have been specially designed for Suzuki cars and are subject to the same quality standards as the car. Please note that only Suzuki Genuine Accessories have been tested and cleared for use by Suzuki. The necessary instructions can be found in the relevant manuals. It is possible under some circumstances that the installation and/or use of other accessory parts could have a negative effect on the structural characteristics of your car and thus reduce driving safety. Suzuki cannot accept any liability for damage caused by the use of accessories other than Suzuki Genuine Accessories.

On publication of this brochure all earlier information ceases to be valid. Some of the brochure's illustrations show special equipment.

The details given in this brochure are non-binding and are purely for informational purposes. Errors excepted.

We kindly ask you to make sure that all legal requirements are fulfilled in your country when using the range of Suzuki accessories.
