# Refreshingly different.

The new Suzuki Ignis doesn't fit into any one category, but it's sure to fit into your life. It's half-SUV, half-compact – but essentially one of a kind. It's edgy – and very much on its own terms. But with the right accessories it can be tamed a little along your personal lines. Make the Ignis YOUR Ignis: A small wonder brimming over with charisma!

# Audio and Navigation

Suzuki in car systems are some of the most sophisticated on the road. Built in satellite navigation ensures that you reach your destination effortlessly. In car audio keeps you entertained and, thanks to mobile connectivity, you can plot your route and select a playlist for the stereo using voice commands to your phone. For detailed information please check our Audio and Navigation leaflet.

Suzuki Genuine Accessories have been specially designed for Suzuki cars and are subject to the same quality standards as the car. Please note that only Suzuki Genuine Accessories have been tested and cleared for use by Suzuki. The necessary instructions can be found in the relevant manuals. It is possible under some circumstances that the installation and/or use of other accessory parts could have a negative effect on the structural characteristics of your car and thus reduce driving safety. Suzuki cannot accept any liability for damage caused by the use of accessories other than Suzuki Genuine Accessories.
